

**CA-27 Action Team  
by Marley Powell**

August 18, 2024 Meeting

We are canvassing two Saturdays through GOTV in October! The campaign is running both morning and afternoon shifts. We are going in the mornings but there will be teams there in the afternoon if that works for you! Our **next two dates are Sept 7 and Sept 21** but also keep October open!

At the **AV Fair we will be tabling on Sept 28**. It's a 2pm start time but will be a great all day event as the fair is fun to visit. A great volunteer opportunity to reach Dems and register voters who we normally wouldn't reach. Also the candidates show up!

**Youth to the Booth** recruiting efforts are moving forward at community college campuses this week to launch our AV student reach out efforts.

If you want information about any CA-27 action, please contact
