

**CA 45 Report on MWD meeting
September 18, 2022**

Name: Jill Klein

What: I'm the canvassing organizer of volunteers to go to Brea (District 45), and canvass for Jay Chen. I'll take names and info and register any of you who want to help and bug you until election day.

Why: Jay's the guy to beat Michelle Steel who needs to go, go as far away as possible because she's horrible. He's still a reservist, smart, nice, young and can win...with our help.

When: It's every Sunday until the election (9/25, 10/2, 10/9, 10/16, 10/23, 10/30 and 11/6 (we might do the whole week beforehand, but that's TBD)). Shifts are 10-12 or 11-1. Big bonus, the great and powerful Ms. Torie will be doing every Sunday except one (not telling), so come rub shoulders with her.

Where: As soon as I get that info, I'll email everyone, and you'll be getting a message from Mobilize (the registration site). Additionally, I loved Wayne's Blue Voter Guide sheet...loved it and will print some (hopefully by Sunday) to hand to voters.
