

CA-27 Action Team
by Barrie Levy
April 7, Meeting

Save the dates: April 20 and May 18 (10:00-1:00)! MWD will canvas in the AV on the third Saturday each month, coordinating with George Whitesides' campaign, AVDC, Grassroots Dems HQ and other CA 27 groups. George Whitesides is focused on protecting abortion rights and healthcare, wildfire prevention, creating jobs, bolstering Social Security, and more. He understands this District, and is actively reaching out to Dems.

The AV Action Council is having a **Day of Action on May 4**. Youth to the Booth high school presentations have been delayed by a glitch. We have enthusiastic volunteers on board from MWD and young people from the AV. Indivisible AV's Tiffany Countryman and AVDC's Joey Klascius are working out the obstacles, so we'll start in presenting to HS Seniors in the next week or two. Meanwhile, we are reaching out to college students, registering voters at AV College.
