

CA-27 Action Team Plans Marley Powell

We are determined to keep the focus on the pivotal areas of CA27 like East Palmdale and Lancaster.

Our first date canvassing with the Antelope Valley Democrats is May 20th. The 20th will launch our new canvassing and door to door activities. The AVDC wants to reach voters directly and knock on doors now, which is why we are partnering with them. AVDC is leading that charge and a reason that we need to support this organization.

Keep the date and time in your calendars!

5/20 @ 10 am

We are only knocking on Dems doors! No American Independent, No NPP, just Dems and you will have identifying signs on your clipboards.

Please join us for a great day up in the Antelope Valley!
