

CA-27 Action Team Plans Brandon Zavala

Good Afternoon Making Waves for Democracy! ! !

It its 233 days until Primary Day in California!

I hope everyone is cool and taking some time to enjoy summer — greetings from Newhall in CA-27 — the district that made Kevin McCarthy Speaker of the House — and in 2024, the most competitive House district in the Country.

I want to lift up two opportunities to register voters and speak with Spanish speaking voters with our local Antelope Valley partner, AV Democrats for Change.

On Saturday, August 5th you can join AVDC for a voter registration drive at 9AM.

On Wednesday, August 9 you can phone bank Spanish speaking voters via Zoom.

Please RSVP in the upcoming Zoom poll — after Labor Day we are all very excited to get back out there canvassing when it's a bit cooler.

AV Dems for Change is the best Antelope Valley based and run volunteer organization I have seen on the ground since 2018 — If you want to help folks who know the difference between activity and achievement — support AVDC events.

We lost this seat in 2022 by 1 vote per precinct. All of us on this Zoom are the difference between victory and defeat.

Thank you everyone!
