

**CA-27 Report at MWD meeting
9/18/22
By Marley Powell**

It's important that we elect good people into positions of power all over this country. The Antelope Valley is a lot closer than you think. Their federal representatives are important and close to home. Mike Garcia proudly stands by the Trump agenda and was a consistent vote for Trump.

Christy Smith is the Democratic choice to be able to go up against the Trump agenda and rightwing seat holder. She is from the area and has been showing that she is the competitor Mike Garcia feared. Earlier this summer, Christy began leading him in polling and we are working to make sure that she maintains that lead.

We are pledging to door knock through Election Day! We have dates set all through October when the weather will be much nicer in the Antelope Valley! It's been a hot summer but now we have the chance to go door to door in nicer weather and talk to voters about Christy and how great she is.

Check your calendars and give Christy the privilege of a little of your time in October.

October 8 and 15 are our upcoming dates before the next meeting!

Please join us next week to raise money and come meet Christy! For info: Contact Marley at mwfdca25@gmail.com
