

CA-47 Action Team Plans
By Regina Birdsell
October 22nd Meeting

In CA 47 (Katie Porter's district), the focus for now will be Voter Registration, targeting colleges and university students who appear to be more interested in politics following the attack on a woman's right to choose. With our partners, Grassroots Dems and OC Young Dems, the **next voter registration event will be on November 5**, details to follow. Given the upcoming primary, we met the two Democratic candidates in August, but have not endorsed Joanna Weiss or Dave Min to defeat Scott Baugh.
