

CA-47 Action Team Plans

MWD July 14, 2024 Meeting

We had at least 20 Making Waves for Democracy volunteers knocking on doors in Irvine on Saturday July 13. The weather was great, and everyone seems to have had a positive experience. This was a Get Out the Vote (GOTV) operation, so we did not encounter hostile republicans in the houses we visited.

Getting out the Democratic vote in this swing district is essential because in the March top-two primary Democrats pulled 45.3% of the vote while Republicans pulled 49.6 and No Party Preference shared 4.5%. It would be horrible if Scott Baugh, a MAGA Republican, won the seat Katie Porter vacated.

We can do this!
