

## CA-47 Action Team Plans By Katherine King

MWD August 18, 2024 Meeting

On August 14 We had an excellent turn-out to canvas for Dave Min. We had a good time because many folks actually answer the door in Irvine and are happy to talk. And Dave Min himself was present at the pre-canvas rally. He's great, and with Kamala at the top of the ticket, he has an excellent chance of winning if we all get out there and help.

In September, as the campaign kicks into high gear, I hope even more Making Waves volunteers will come down. Dave Min's campaign will organize canvassing every Saturday of the month, and MWD volunteers will join them on the second and third Saturdays. **This means September 14 and 28.**
