

**CA-27 Action Team Plans**  
**Marley Powell**  
September 10<sup>th</sup> Meeting

There's a reason that we stay so invested in CA-27.

In the Antelope Valley, Palmdale and Lancaster have the highest concentration of young people in the district.

The AV has a diverse Latino population.

In 2020, we saw some precincts turn out at 60%. In 2022, some were as low as 18%.

This is Kevin McCarthy's 218<sup>th</sup> seat. CA27 was the seat that made McCarthy speaker and it's right in our backyard.

We are staying involved because we know that this seat is ours. That this seat will drive home the Democratic vote in Congress.

This is why we are launching more in-depth canvassing actions like taking on a part of the district to focus our group's attention on Palmdale and registering voters.

Members from our group have been in the district at protests and knocking at doors.

We are committed to training our volunteers to make sure that you are confident to deliver the winning Democratic message that will win this district.

We are committing to ONE CANVASS and VOTER REGISTRATION event per month! We are partnering with AVDC to connect with democratic voters directly and we want you to commit to at least one before the end of the year.
