September 10th Meeting

As part of its efforts to flip CA-27 from red to blue, Making Waves will be hosting a Zoom fundraiser on January 21, 2024 to support Antelope Valley Democrats for Change. Twenty people signed up to be co-hosts at the event yesterday. Co-hosts are people who pledge to give or get \$500. When you're a co-host, we give you all the tools you need to reach out to the like-minded people in your personal network and ask them to buy a ticket to the event—which is only \$50. You urge them to give more if they can and make it clear that you'll accept less if \$50 is a stretch. Lots of people respond, because this is a personal request, not a mass mailing from a PAC. We're still actively recruiting co-hosts.
