

**DAVE MIN Intro. Making Waves for Democracy, April 28, 2024**

Now I get the honor of introducing our special guest....

**State Senator Dave Min currently represents nearly 85% of the 47<sup>th</sup> Congressional District.** Since being elected in 2020, he has shepherded 28 bills into law, including enshrining ABORTION in our constitution, and major GUN SAFETY and CLIMATE CRISIS legislation. He's the son of immigrants and the ONLY Korean American in the California legislature (which is unbelievable!) – and has been a leading voice against ANTI-ASIAN hate.

Senator Min was previously a law professor at UC Irvine and has testified multiple times in Congress on his field -- financial regulation and governance. Before that, he worked for Senator Chuck Schumer and for the Securities and Exchange Commission, turning down high-paying jobs on Wall Street in order to hold corporations accountable following the scandals at Enron and WorldCom. He earned his undergraduate degree from the University of Pennsylvania and his law degree from Harvard, although he is a native Californian and product of our public schools.

In my view, Senator Dave Min, with his more moderate public-safety stance, is the perfect match for this plus-3 Democratic district – although its current super-progressive occupant, Katie Porter, endorsed him early and strongly... Dave Min has a 100% rating from Planned Parenthood and the Sierra Club, and an F from the NRA – OUR KIND OF GUY!

Over to you, Senator....
