

**REPORT, MAKING WAVES FOR KAREN BASS – Torie Osborn  
6//26/22**

**Karen Bass won the top spot for LA Mayor DECISIVELY in the primary June 7, by 46,000 votes, a margin of over 7%, 43%-36%. The primary was Rick Caruso's best chance; the primary electorate is generally more conservative, more white, wealthy and male than the November general election. On Election night he was leading by +5%. Then it all changed.....Our fears were unfounded!**

**Our Action Team of 35 strong KB supporters will take some time to rest over the summer and then pick it up with our bi-weekly zoom calls August 6 at 11 a.m.. We collectively held 5 House Parties, phonebanked at Karen Bass' HQ twice, and many of us gathered signatures, talked up KB and canvassed....We are doing our part....In September, we'll return to our ORGANIZING: canvassing, phonebanking.... And, don't forget to DONATE NOW – it's a reset for the November general election. The match of 6-1 is back on for LA City residents (your \$214 becomes over \$1100!) But anyone can donate! Max is \$1500.**

**A shout out to John Montgomerie for hosting CANVASSING at his home for 5 weeks as one of several pop-up staging locations the KB campaign stood up for GOTV. The rally that last Sunday before the Primary was AWESOME! Karen Bass, labor icon Dolores Huerta, actress Tiffany Haddish, City Attorney Mike Feuer, statewide candidate for Controller Malia Cohen, Councilman Marqueece Harris Dawson and others.....We had fun!**

**WE MUST NOT BE COMPLACENT!! Caruso will spend \$100 million on this race. Donate NOW [www.karenbass.com](http://www.karenbass.com)**
