

Making Waves for Karen Bass UPDATE, July 24, 2022

Our dedicated 35-member Action Team is on hiatus since the primary, basking in the Karen Bass' +7% top place finish in June....

Our next Zoom meeting is August 13 (note that's a date change...) at 11 a.m. If you're not already on our list and want to join us, put MW4KB and your email in Chat....

Starting in September, we will gear up again for the general election, and canvass and phonebank and fundraise and talk her up. AND, remember, TALKING UP KAREN BASS FOR LA MAYOR is really important – those “secondary conversations” are a winning strategy! AND...remember to **DONATE: go to www.karenbass.com and give! She needs your money -- she's up against a billionaire who will stop at nothing to win – he's already spent over \$40 million and engaged in the worst racist Willie-Horton-playbook practice of darkening her face in his ads!**

**But as I always say, the old Sara Lee ditty applies here:
*Nobody doesn't like Karen Bass!***

That's it! Back to you, Barrie!
