

September 10 IN PERSON meeting – Torie Osborn

We're skipping August, as we do every year, so our next meeting will be SEPTEMBER 10....and IN PERSON in Mar Vista.... We think Zoom fatigue is real and we hope you'll be there! It'll be a chance to CONNECT with each other, and of course to SIGN UP for our various ACTION TEAMS for talking to voters in CA-27 and 47....

Our featured speaker will be the amazing MANUEL PASTOR – if you get the *LA TIMES*, last week you saw a full color picture on p. 3 of him talking with Mayor Karen Bass and others at his institute's annual immigration conference.....Manuel is incredibly entertaining – he always says in a previous life he was a game show host! – He's a brilliant economist who will talk about BIDENOMICS as well as his idea of SOLIDARITY ECONOMICS. You won't want to miss it! *And the wonderful Sheila Kuehl will also be back.....*

And we need you to volunteer -- to help set up, clean up, pass out nametags etc.... so sign up when the polling happens in a few minutes.....
