

Spanish- speaking Action Team/Multi-lingual Action Team
Xiomara Flores-Holguin
September 10th Meeting

- MWD is inviting all Spanish and multilingual speakers to join us to help save democracy in District 27 and District 47 by canvassing, phone banking, and writing postcards. We are a diverse and multilingual-speaking family!
- The GOP is telling voters, especially non-English speaking voters that the Democratic Party does not represent their values and interests. Let's prove the GOP is WRONG! They don't care about them and they will only continue to hurt them by their extremely racist policies.
- MWD cares about the Latino Community, the Asian Community, and all immigrant communities, so let's speak their languages.
- MWD is fostering connections with our non-English speaking voters in Districts 27 and 47, NOW, not before the election.
- We need to speak with and engage with our non-English-speaking voters, if not now then when?
- The GOP does not represent us in District 27 or District 47, We are not fooled by the likes of MAGA Mike Garcia in District 27. He is a Latino by last name ONLY. He must be defeated.
- MWD is asking that if you are not bilingual, please invite your bilingual friends to join us and do the work. We speak your languages (Spanish, Vietnamese, French, and Cantonese).

Let's all learn from the past - Bilingual outreach is still one of the most important components of all Congressional and presidential elections. Join MWD's Multi-lingual Speaking Action Team and let's work towards electing Democrats in Districts 27 and 47.
