

**Spanish Speakers Action Team Plans:  
Xiomara Flores-Holguin's report/update:**

**Xiomara** - Spanish speakers Action Team - Xiomara added to Regina's comments about the importance of recruiting bilingual volunteers for both CA -27 and CA-47. However, at this time, Xiomara invited members to sign up and join our Spanish speaker's Action Team.

Please sign up and you will be contacted and offered training opportunities in Spanish and you will be sent translated CA-27 literature too. Our volunteers do not necessarily need to be fluent in Spanish. Additionally, during our canvassing events, we will pair you up with a fluent bilingual volunteer to ensure that you will have an opportunity to practice and connect with our Spanish-speaking voters.

Lastly, Xiomara looks forward to developing a *Making Waves for Democracy bilingual directory* to include bilingual members of other local Democratic organizations in CA -27 and CA-47 to prepare for the upcoming elections.

If you have any questions, please do not hesitate to contact me".
