Tabby, the cat was wandering around with his friend (Kitty the cat) until he heard a rumble coming from her stomach. He asked her what was wrong and she said she was starving to death but sadly could afford the cheapest of things.

She couldn't buy anything and hasn't had a filling dinner in at least a year or so! A few minutes later, very dissappointingly, Kitty saw a rich wasteful girl throwing away a full tray of delicious goods. "What are you doing!!!" Kitty screamed in hunger. "I'm throwing this rubbish in the bin." "Can I have it?" "Noooo!" Shouted the girl, completely famished and dried out, Kitty slowly, walked towards her cold abandoned house.

Tabby couldn't bare seeing his friend
so devastated So he stirred up an
idea .He would cook up some delicious
treats and deliver them to
people who need it most. A good
drone! The most perfect idea .

He caught his friends and asked them to make the food which by the way, tastes so good! Suddenly he thought. A website that's it! And just like that an amazing website was made and luckily, got tons of customers.

Soon, he was on the phone to a restaurant manager. "I would like you to advertise my restaurant!" Tabby cat was unsure. "The job pays a lot." So Tabby cat was instantly swimming in a pool of money.

In the end he gave Kitty
most of the money and they
became best friends forever.
