Acknowledgments

First and foremost, we give all glory, honor, and praise to Almighty God, whose grace has sustained us, whose strength has carried us, and whose faithfulness continues to guide the work of this Brotherhood.

We extend our heartfelt appreciation to Pastor Parker for his steadfast leadership, spiritual guidance, encouragement, and continued support. His commitment to the work of the Lord challenges us to remain faithful to our calling and steadfast in Christian service.

We also recognize and thank the officers and members of the Brotherhood who have faithfully served throughout this past year.

This year has reminded us that God does not require a multitude to accomplish His purpose, He requires willing hearts, faithful hands, and committed servants. By His grace, we have continued to move forward, meeting the goals placed before us and standing together in Christian fellowship and brotherhood.

As we celebrate this Men's Day, we do so with gratitude for what God has already accomplished and with great expectation for what He will yet do through men who are willing to answer His call.

We remain committed to walking worthy of the calling God has placed upon our lives, serving faithfully, leading courageously, loving one another, and setting a godly example for the generations that follow.

To God be the glory for the great things He has done!

Brotherhood / Outreach Program

Our mission is rooted in the Great Commission, reaching beyond the walls of the church to share the love, hope, and saving message of Jesus Christ with those who need Him.

The Brotherhood has sought to put faith into action through our outreach ministry. We have been blessed with opportunities to serve our unhoused neighbors and others experiencing difficult circumstances by providing hot meals, water, toiletries, jackets, clothing, and other essential items. Each act of kindness provides an opportunity to demonstrate the compassion of Christ, and share a word of hope, and remind them they are seen, valued, and loved by God.

Christian outreach is more than charity; it is ministry in action. Jesus calls us not only to speak about His love but also to demonstrate that love through service, compassion, and concern for others "Let us not love in word, neither in tongue; but in deed and in truth" (1 John 3:18).

We continually lift before God those who are struggling with homelessness, hardship, brokenness, and spiritual need, trusting Him to bring hope, restoration, and deliverance, into their lives.

We invite and encourage our brothers throughout the district to stand with us in prayer, fellowship, evangelism, and service. Together, may we continue planting seeds of faith and compassion, trusting God to provide the increase.

We serve because Christ served.

We love because Christ loved us.

We reach out because someone still needs to know that Jesus saves.
