Models: MRS45-24-P0Z, MRS45-24-P3W

Marketed under the names ARTZ and Pathogon

The Directives covered by this Declaration

IEC 61010-2: Safety requirements for electrical equipment for measurement, control and laboratory use.

The Basis on which Conformity is being Declared

The manufacturer hereby declares under his sole responsibility that the products identified above comply with the principal elements of the safety objectives of the Low Voltage Equipment directive, and with the essential health and safety requirements of the Machinery directive. The manufacturer has applied the following standards:

IEC 61010-2

The technical documentation required to demonstrate that the products meet the requirements of the Low Voltage Equipment directive has been compiled and is held at the manufacturer's facility available for inspection by the relevant enforcement authorities.

The CE mark was first applied in: 2012

Attention!

The attention of the specifier, purchaser, installer, or user is drawn to special measures and limitations to use that must be observed when these products are taken into service to maintain compliance with the above directives. Details of special measures and limitations to use are available on request, and are contained in the product manuals.
