Introduction

Joey's Hope NOLA is a 501© 3 organization that was formed to honor the life and service of USMC Sgt. Joseph Bovia who paid the ultimate sacrifice while serving our country on his third tour in Afghanistan. To say Joey loved children is an understatement. This organization was created to honor Joey's memory and his love of children. We are dedicated to supporting the needs of children who often go hungry or without the essentials of shelter and clothing.

Our organization currently helps feed 350 local children weekly through a backpack program. These children attend 7 different local schools. Last year we were able to open a second pantry location

where needs are exceeding our present capabilities.

In addition to providing nutrition to children in our area, we provide support to Crossroads NOLA in finding acceptable homes for children in desperate need of foster care services and adoption.

We would like to thank each and every one of you for your dedication in supporting this organization. We are hoping you are able to continue to support our efforts to meet this growing need in our community while honoring our beloved "Jungle Bear".

Chase Bank and Zuppardo's Christmas Dinner Donation

In December, the New Orleans Chase Private Bank, Business Banking and Retail teams along with Zuppardo's Grocery joined Joey's Hope NOLA volunteers in packing 130 boxes of food for families in our New Orleans community. Our goal was to provide a traditional Christmas dinner to those families in need.
