

Safeguarding Policy

CurveBall Coaching provides a safe, secure environment for the children attending and we are committed to providing protection from harm and abuse.

The Club will respond promptly and appropriately to all incidents or concerns regarding the safety of a child that may occur.

Child abuse and neglect

Child abuse is any form of physical, emotional, or sexual mistreatment or lack of care that leads to injury or harm.

An individual may abuse or neglect a child directly, or by failing to protect them from harm. Some forms of child abuse and neglect are listed below.

Emotional abuse is the persistent emotional maltreatment of a child so as to cause severe and persistent adverse effects on the child's emotional development. It may involve making the child feel that they are worthless, unloved, or inadequate. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.

Physical abuse can involve hitting, shaking, throwing, poisoning, burning, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may be also caused when a parent or carer feigns the symptoms of, or deliberately causes, ill health to a child.

Sexual abuse involves forcing or enticing a child to take part in sexual activities, whether or not the child is aware of what is happening. This can involve physical contact, or non-contact activities such as showing children sexual activities or encouraging them to behave in sexually inappropriate ways.

Neglect is the persistent failure to meet a child's basic physical and emotional needs. It can involve a failure to provide adequate food, clothing and shelter, to protect a child from physical and emotional harm, to ensure adequate supervision or to allow access to medical treatment.

Signs of child abuse and neglect

Signs of possible abuse and neglect may include:

- significant changes in a child's behaviour
- deterioration in a child's general well-being
- unexplained bruising or marks
- comments made by a child which give cause for concern
- inappropriate behaviour displayed by an adult. For example, inappropriate sexual comments, excessive
- one-to-one attention beyond the requirements of their role, or inappropriate sharing of images.

If abuse is suspected or disclosed

When a child makes a disclosure to a member of staff, that member of staff will:

- reassure the child that they were not to blame and were right to speak out
- listen to the child but not question them
- give reassurance that the staff member will take action
- record the incident as soon as possible (see Logging an incident below).

If a member of staff witnesses or suspects abuse, they will record the matter straightaway using the Logging a concern form.

If a third party expresses concern that a child is being abused, we will encourage them to contact Social Care directly. If they will not do so, we will explain that the Club is obliged to and the incident will be logged accordingly.

Logging a concern

All information about the concern, suspected abuse or disclosure, will be recorded on the Logging a concern form

- as soon as possible after the event. The record should include:
- date of the disclosure, or the incident, or the observation causing concern
- date and time at which the record was made
- name and date of birth of the child involved

- a factual report of what happened. If recording a disclosure, you must use the child's own words
- name, signature and job title of the person making the record.

Completed forms will be handed to Zack Cullen, who will then decide on the best course of action.

For concerns about child abuse, Zack Cullen will contact Social Care. Zack Cullen will follow up all referrals to Social Care in writing within 48 hours. If a member of staff thinks that the incident has not been dealt with properly, they may contact Social Care directly. If it is suspected that a criminal act has taken place, or that the child is in imminent danger, the club leader will contact the Police.

For other concerns, the club leader may choose to contact the Head Teacher or School's Child Protection Lead, or the Local Authority Designated Officer, to discuss the best course of action. Zack Cullen is not to be notified if this happens in writing within 48 hours.

Allegations against staff

If anyone makes an allegation of child abuse against a member of staff:

- The allegation will be recorded on an Incident record form. Any witnesses to the incident should sign and date the entry to confirm it.
- The allegation must be reported to the Local Authority Designated Officer (LADO). The LADO will advise if other agencies (eg police) should be informed, and the Club will act upon their advice. Any telephone reports to the LADO will be followed up in writing within 48 hours.
- Following advice from the LADO, it may be necessary to suspend the member of staff pending full investigation of the allegation.
- If appropriate the Club will make a referral to the Disclosure and Barring Service.
