

THE FILLS MASTER PLAN

Islamorada, Village of Islands

“The Fills” Master Plan Open House for Community Input

Wednesday, December 1, 2021

Time: 3:00 PM – 7:00 PM

Venue: Founders Park Community Center
87000 Overseas Highway, Islamorada, FL 33036

Event: Red Dot/Green Dot Exercise

As part of the “Discovery” stage of the Vision Master Plan, CPH, Inc. will host an **open house for the community to come and participate at their leisure** in a Red Dot / Green Dot Exercise in order to obtain residents’ preferences regarding potential design improvement to The Fills.

How does it work?

The Red Dot / Green Dot Exercise is a visualization technique that allows citizens and stakeholders to determine preferences for various community / recreational design, landscape and streetscape alternatives.

Attendees are given sheets of red and green stickers and asked to place green stickers on images they like and red stickers on images they dislike. The images displayed are to include:

Boat Ramps
Overlooks
Restroom Facilities

Kayak Launch Areas
Trail Enhancements
Pavilions

Parking Options
Safety Improvements

The Consultant Team will quantify the Dot results, identify favorable and non-favorable images, and use the images as part of the Vision Plan elements.

The Red Dot / Green Dot Exercise, in addition to the one-on-one stakeholder interviews, questionnaire, and project web site, provides invaluable input in the development of design alternatives for the Vision Plan.

Please join us at a time convenient to you between 3:00 p.m. and 7:00 p.m. on Wednesday, December 1, 2021, at the Founders Park Community Center to provide your input on “The Fills” Master Plan. Learn more at TheFillsMasterPlan.com.
