

Back Mountain Bloomers Garden Club
Dallas, PA 18612

Email: info@backmountainbloomers.org
Website: www.backmountainbloomers.org

Dear Community Outreach Applicant,

The Back Mountain Bloomers Garden Club created a Community Outreach Committee to provide a small amount of “seed money” to groups or individuals whose project requests fall within the realm of the club’s purposes--beautification or preservation of nature and natural resources throughout the Greater Back Mountain.

Monetary requests require a **complete project description and detailed budget**. Submission deadline is **March 1st of current year**. Requests will be considered following the Community Outreach Committee’s careful review and may be approved with funding or referred to a more appropriate organization. Grants will be awarded by May 1st of the current year. (See Application for requests.)

The Back Mountain Bloomers Garden Club (BMBGC) looks forward to a shared advocacy with our local youth and other organizations. If interested, please contact the Community Outreach Committee as shown below, for further detailed information and guidelines.

Sincerely,
BMBGC Community Outreach Committee
