

Eastside 2021 - 2022 Calendar

Below is our tentative open and closure schedule.

Please be sure to check your e-mail and studio website for any updates to our studio schedule.

If you have not received any e-mails, contact the studio office to ensure we have your correct e-mail address on file.

First day of classes

Saturday September 18, 2021

Tuition

Tuition is an annual fee based on the number of classes for the entire dance season. Eastside has emergency closure days built into tuition. This allows us to close at least three days for each day of the week (if necessary) and you will still receive a minimum 30 guaranteed dance days for the 2021 - 2022 (September – June) dance season.

Inclement Weather

For inclement weather we **typically** follow the rule “When Toms River Schools are closed, we are also closed.”

Please check our facebook, instagram, website or call the studio ten minutes prior to your class when in question of closure.

TENTATIVE Recital Dates

Saturday June 11, 2022 or Saturday June 18, 2022

Recital date is subject to change.

Official Recital date and dress rehearsal information will be e-mailed and posted when confirmed.
