

Hi Eastside Families,

As we enter this holiday season, we are excited to share some studio updates with you!

### **WHAT ARE YOU THANKFUL FOR?**

We are so grateful for our dancers and love seeing what our dancers are thankful for! Check out our Tree of Thanks in our studio B hallway!

---

### **NEW THIS YEAR — DAZZLING DECEMBER!**

We're lighting up the studio this December with something new and festive!

**Starting December 1st, dancers may wear any color leotard to class throughout the entire month of December!**

All other attire guidelines still apply (hair must be pulled back, tights must be worn, and proper dance shoes are required). We look forward to seeing bright and festive colors light up our dance studio for the month of December.

See attached flyer for details.

### **VISIT ENCORE DANCEWEAR**

Need a colorful leotard or something sparkly to light up the dance floor for **Dazzling December**? Stop by our neighborhood dancewear boutique, Encore Dancewear, just up the road, to find something fun and festive for the season!

Thank you for shopping local and supporting small businesses like Encore — and ours!

---

### **COMING SOON — NEW OFF THE RACK HOLIDAY APPAREL!**

We will have a new Eastside sweatshirt featuring a rhinestone drawstring that will hit the in-studio rack on **December 1st, just in time for the holiday season!**

This is an off-the-rack item, which means quantities and sizes are limited. Once they're gone, they're gone. So be sure to purchase quickly when they arrive!

### **CALENDAR REMINDERS & WINTER WEATHER!**

With the holidays approaching, please check our studio open/close calendar to stay up to date on the studio schedule during this busy season [Calendar](#)

As a reminder, Eastside has emergency closure days built into tuition. This allows us to close (if necessary) and you will still receive your minimum in studio days for the season. In the event of an Eastside closure for any reason, including inclement weather, an e-mail will be sent to the address on

file. We will also post updates on Instagram and facebook, and know you can also find this information on our website homepage.

If you are ever unsure, please call the studio 15 minutes prior to your class start time.
