

Eastside Dance Company

2021 Picture Day

Picture Day is a special in-studio event. This is optional to attend, but we do encourage all who are available to join us! Even if you are not purchasing pictures, we encourage you to join us to take part in the class picture as this is a class memory students cherish. These group pictures are hung in the studio and students look forward to seeing their photos each year!

HAIR, MAKE-UP, TIGHTS, & MASKS

- Hair and make-up can be however you choose for your child's photo.
- Tights must be the proper color Capezio tights. See Recital Tights List or visit Encore Dancewear.
- If you have multiple dances, dancers are to layer their tights for simple costume changes. Caramel tights go on first and the pink layer will be on top.
- When your dancer receives their costume, you will find a zip lock bag with your dancer's name on it. This will be her personal bag your dancer will place her mask in when she taking her photos.
Please bring this with you on picture day! This is important so we can be sure everyone's masks stay organized for each specific dancer.

PICTURE DAY PROCESS

- Students will **arrive dressed in their first costume** at the drop off time.
- Our 2021 picture day will be a drop-off / pick-up event.
- Much like dance classes, students will arrive with masks on and receive temperature check, and be guided to waiting area to get their dance shoes on.
- If your dancer has multiple costumes, send them with all of their costumes and shoes (be sure all items are labeled with their name).
- Students will be given a place in the studio for costume changes and staff will be there to assist.
- Students will remain masked until it is time for their picture. When it is time for their photo, masks will be removed and placed in their personal zip lock bag provided with their costume for the time in which they take their individual and / or group picture and then put back on.
- At dismissal time, dancer will be picked up at the door in the same way we dismiss for weekly classes.

PICTURE DAY SCHEDULE

- On the back, you will find a schedule listed by "group" which is your child's Recital dance song title.
- Simply find your dancer's Recital song name to see the drop-off and pick-up time.
- If you are unsure of your child's song title, you can find this information on our website Recital page.
