Recital Show Schedule

Our 2020 recital is a series of 10 mini-shows divided by age groups.

- Students in Combo Class Age 2, 3, 4 & kindergarten Combo will perform in one show.
- Students in classes age 6 & up will perform in two or three identical shows.
 - *Calculations of the number of dancers in each age group and the number of seats in our audience dictated how many times each age group will repeat their show.*
 - *The repeating of shows, ensures all dance families have the opportunity to see their children's classes perform live in person.*
 - *Dancers will be dropped off at the front of Studio, dressed in their first costume.*
 - *The dance classrooms will be used as dressing rooms.*
 - *Dancers will perform in their first show. Once the show is completed the audience will change and the dancers will get ready to repeat the same show for the next audience.*
 - *After the completions of all their back to back identical shows, dancers will be picked-up at the back of Studio A.*
 - *The first days of ticket sales, we do ask that each individual only purchases tickets to one of the identical shows. The reason we have multiple identical shows is to ensure every family is able to get tickets to see their children. (more information on ticket sales page).*
