Recital Show Schedule

Our 2021 recital is a series of 9 mini-shows. 8 shows divided by age groups and 1 show is our team showcase.

- Students in Combo Class Age 2, 3, 4 & Kindergarten Combo will perform in one show.
- Students in classes age 6 & up will perform in two identical shows.
 - *Calculations of the number of dancers in each age group and the number of seats in our audience dictated how many times each age group will repeat their show.*
 - *The repeating of shows, ensures all dance families have the opportunity to see their children's classes perform live in person.*
 - *Dancers will be dropped off at the front of Studio A, dressed in their first costume.*
 - *The dance classrooms will be used as dressing rooms.*
 - *Dancers will perform in their first show. Once the show is completed the audience will change and the dancers will get ready to repeat the same show for the next audience.*
 - *After the completions of all their back-to-back identical shows, dancers will be picked-up at the back of Studio A.*
 - *The first day of ticket sales, we do ask that each individual only purchases tickets to one of the identical shows. The reason we have multiple identical shows is to ensure every family is able to get tickets to see their children. (more information on ticket sales page).*
- Team Dancers will perform in all shows

The following pages will cover:

Recital Day: What you need to know!

PARKING: For the day of our mini recitals, all parents and guests will need to park in the front of Bellcrest Plaza (out front of Planet Fitness). The recital tent will be located on the side of the building.

As you arrive please be patient, another show may be finishing up upon your arrival.

STUDENT DROP OFF: You will walk your dancer to the front of Studio A to drop them off. From there, you will go and find your seat - or depart until the scheduled show time that corresponds to your ticket purchase.

STUDENT PICK UP: After you watch and enjoy the show, you will walk to the back of Studio A to pick up your child. *The event staff will guide you in the right direction.* Please only send one person to gather your dancer(s). For the safety of our dancers, you will be required to walk to the back door and give your child's name.

IN BETWEEN IDENTICAL SHOWS: For safety and security, dancers will not be able to leave the studio area until the end of both identical shows when students are dismissed to their parents/guardians. We understand family members attending the first show may want the opportunity to congratulate their dancers. To do so, we will have a Broadway-style greeting area! If your dancer is in two identical back-to-back shows (for example shows C & D, E & F, G & H), we will have a designated Broadway-style back stage door area for them to greet their guests, take a quick photo, and receive flowers or other gifts between their two shows. Audience members should come to the back door of Studio A and give their dancer's name to the Eastside staff and we will have your dancer come out for a quick hello! Dancers will not be permitted to leave the blocked off Studio area until the competition of their recitals and students are dismissed.

DRESSING ROOMS: Studio A and Studio B will be used as dressing rooms. Please make sure all items are labeled with your dancer's name and only bring/pack what is absolutely necessary. To keep numbers to a minimum in our facility, only students, staff, and those assisting with Eastside's recital will be permitted in the building.

MASKS: Dancers will not be required to wear their masks while performing outside for recital, however, masks are required upon entry to the building (at drop off). Send your dancer with a zip-lock bag that has their name on it. This will be used to put their mask in during their performance times. Audience members should be wearing a mask at any point they are unable to be socially distant, in accordance with New Jersey State Laws. If state laws change making masks optional, then masks will be optional for our event as well.

- For students who dance barefoot, we suggest bringing a pair flip flops to walk to the stage

If you have multiple dances remember

- Caramel Tights stay on like they are their skin (meaning pink tights go over top)
- If you do not need to change shoes for the next dance. . . don't even take your shoes off, simply change your costume.
- Hurry. . . but stay calm! When you stay calm and move quick, your quick change will be a smooth process. Our experienced Eastside staff will be there to help!

"It is a **GIFT** to be able to find the positive in each situation,
it is a **JOY** to have the opportunity to dance, and it is a
BLESSING to have you "**BE OUR GUEST**" at our 2021 Recital!
