Punishers Law Enforcement Motorcycle Club

In Service to Others

Who We Are

The Punishers Law Enforcement Motorcycle Club (PLEMC) is a brotherhood of law enforcement officers, court officers, correctional officers, and other justice system professionals, emergency medical services (EMS), firefighters, military, and likeminded individuals. Our blended population is by design and is partially a source of our strength and distinction.

What We Do

We make a positive difference in the lives of others. Our worldwide motto is 'In Service to Others'. Our members are united in their support of all public safety persons and their families. We are a non-profit 501(c)(3) organization active in numerous charitable causes and fundraising efforts for individuals, families, causes, and organizations. We also ride our motorcycles to relax and have fun.

Where We Operate

We have a growing worldwide presence, currently operating in 19-countries, including across the U.S., adhering to a global Chain of Command (CoC). That includes thousands of members in hundreds of chapters. And we take great pride in our dedication to our families, our work, our communities, and our club.

Unique Features

In Service to Others includes our own! We have a member's 911 hardship fund, an In Memoriam 31st Chapter to help widows and families of fallen Brothers, an Armed Forces Chapter to unite our military Brothers during their global deployments, and we even have our own radio station ... Punishers Radio ... available worldwide via the internet!!
