ABOUT US

DesignLine Studio is a leading interior design firm based in Dubai, United Arab Emirates. We specialize in creating exceptional spaces that inspire and transform. Our team of highly skilled architects and designers are committed to delivering innovative and functional designs that exceed our client's expectations. Whether it's a residential, commercial, or hospitality project, we approach each endeavour with meticulous attention to detail and a passion for excellence. At DesignLine Studio, we believe in the power of design to shape environments and enhance lives.

DesignLine Studio's mission is to consistently deliver high-end interior projects on time and within budget, whilst helping companies to achieve their environmental goals, directly resulting in operational savings and a better workspace for employees. Our team takes over everything, from ideas and concept development to realization. We believe in traditions and absorb them into our innovations. We exist to create beautiful backdrops against which our clients experience their lives.

OUR SERVICES

1. Design

DesignLine Studio's design consultancy team are made up of the regions most experienced and talented professionals. We pride ourselves on being able to interpret a brief and deliver projects that not only look great but function too. Our approach to every project is led by the constant desire to challenge ourselves and deliver projects that we and our clients can be proud of.

2. Build

As a complete interior general contractor, DesignLine project managers can manage your project from the initial design phases through to handover and completion. Our construction and execution teams will coordinate all elements of the project to ensure the project is delivered on time, within budget and in accordance with your approved design.

3. Authorities Approval

All Authority Approvals in Dubai not limited to Dubai Municipality, Dubai Civil Defense, Dubai Development Authority , Dubai Silicon Oasis Authority, Dubai Police Permits, Trakhees, Dubai Electricity & Water Authority, JAFZA, Road & Transport Authority, & Developers NOC like Nakheel, Emaar, DIFC, DP etc.

4. Project Management & Supervision

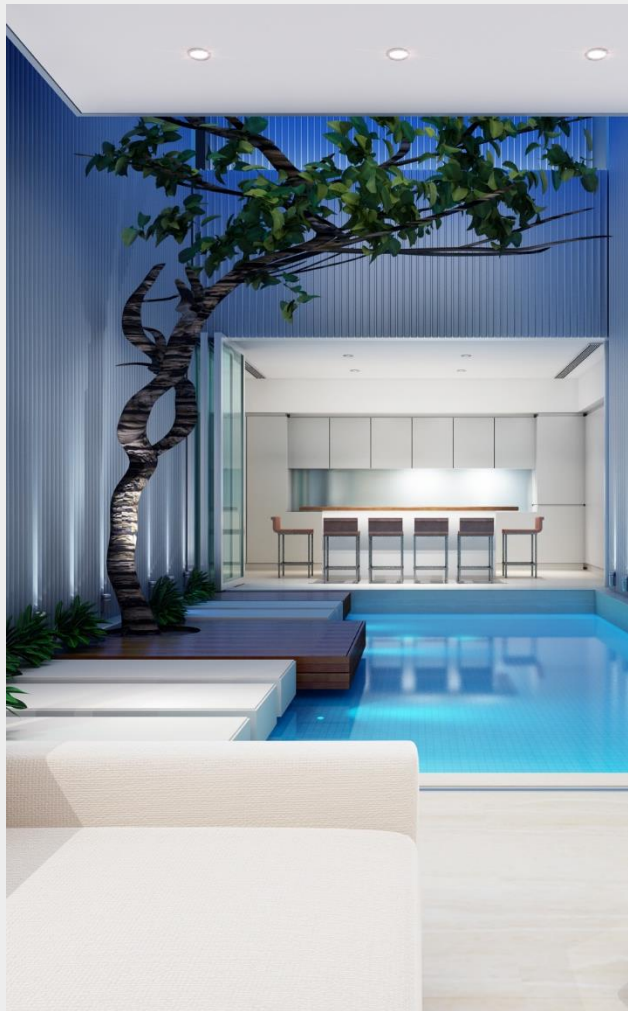

Project Management is all about ensuring all aspects of a project are planned for, coordinated and executed to the highest standards. Our team of experts drive this process and ensure that every project is completed as planned and up to the client's complete satisfaction.
