Volunteer Appreciation Month

by Whitney Reed, PTO Vice President

One of the first things that stood out to me as a new FCAC parent three years ago was how much the families were involved here. The parents want to be involved, want to be on campus, want to lend a helping hand. This year, we have 168 approved volunteers, which is amazing and a testament to our school’s strength and success. You’ve shown up for back-to-school prep, school photos, class celebrations and field trips. You’ve donated to North Texas Giving Day and load the teachers’ lounges, been a room parent, you’ve written notes of gratitude, decorated doors, and you’ve donated to our Boosterthon event so generously. You jump in to help out with the Glow Run, the Color Run, Field Day, and Teacher Appreciation Week. You show up in quiet ways, too: creating art portfolios, slipping a kind note to staff, grabbing your teacher’s favorite drink after a long week, making copies, and on and on! Without you, our trusted volunteers, the school would be a quieter, different place. You are the heartbeat of our campus and we are thankful for all that you do, both seen and unseen.

Happy Volunteer Appreciation Month!

Interested in getting more involved next school year, but not sure how?
