

Who are you?

I see a girl with a whip. "Who are you" I ask? I see a whip by the pigs. "Who do you belong to" ? I ask. I say "wham" on a whim. "Why did I say that" I think. The dog walks to me and says "whoof". "Who are you" I ask. I see a plant. "Who are you" I ask. Why is all of this going on? Hmmm
