

I CAN AND I WILL

I can

I can get to the bin. I will do it.
I can bid on a whim. I will do it.
I can swim in the jell. I will do it.
I can swim like a fish. I will do
it. I can skid and skip and flip. I
will do it. I can dig in the mix. I
will do it. I like to win. I can do
anything. And I will.
