What is Slavic Hair?

At Understated London, we work exclusively with premium Slavic hair — the highest grade of extension hair available.

Individually sourced from single donors, it is prized for its softness, gloss, density, and longevity.

Why we choose Slavic Hair

- Single-donor sourced for consistency
- Naturally glossy and lightweight
- Reusable with correct care
- Ideal for discreet extension methods

Care & recommended products

Shu Uemura products are available in salon.
Slavic hair is naturally in excellent condition and does not require heavy oils.

As an exclusive Shu Uemura salon partner, we recommend Shu Uemura products to cleanse and moisturise without weight.

Longevity

With correct care, Slavic hair can be reused across multiple refits, making it a considered long-term investment.
