1. Introduction

Wall Street FOMO ($WSF) is a community-powered meme coin built on the Solana blockchain. It's inspired by Wall Street's relentless FOMO (Fear of Missing Out) into BTC Treasuries.

2. Vision & Mission

Vision: To become a culturally relevant meme coin on Solana by channeling the spirit of financial rebellion.

Mission: Empower retail investors and meme lovers alike by creating a fun, fair, **deflationary** and fast-growing community token.
