About Us

PVMA Global, LLC (PVMA) is a Puerto Rican WOSB and Certified HUBZone management consulting services firm that provides seasoned business advisors and project managers to assist our clients with the implementation of complex, large-scale, and regulatory governed projects. We offer project management, program management, vendor management, internal and fraud audit, and government affairs services to the public sector and private industries including:

- ◆ Project/Program Management
- ◆ Healthcare
- ◆ Social Services
- ◆ Housing
- ◆ Disaster Recovery

As a **PVMA Global** client, you will experience effective, efficient, and quality driven project management services that provide added value and measurable results to your project idea.

Experience Counts

PVMA Global is staffed with local and skilled advisors, project managers and financial operations consultants that possess the depth and breadth of experience, knowledge, and understanding of project management in a regulatory based environment. These skills provide quality results and timely deliverables that our clients trust and depend on.

Managed Results

Our team of project managers possess the industry experience needed to provide the technical expertise and project delivery skills to manage any project assigned. Our primary goal is to bring all projects to closure on-time, with quality deliverables, and within budget. Results our clients depend on.

Small Business

Our firm is a SBA certified Women-Owned Small Business (WOSB) and SBA Certified HUBZone that provides effective, cost-efficient, and

quality driven professional services to our public and private sector clients.

As a WOSB and HUBZone company, we strive to provide our staff with opportunities for career advancement in the management consulting industry, and still maintain a work-life balance.

Seasoned Professionals

The **PVMA Global** team includes seasoned professionals that have proven experience and project management successes that make us proud to call each other “team member”.

The **PVMA Global** team has an average of over 20 years of project management, regulatory compliance, and training experience that have resulted in Subject Matter Expert (SME) status in several industries.
