- **Program Integrity - Fraud Auditing and Investigations**
PVMA has over 25 years of implementing and operating Program Integrity programs to find fraud, waste and abuse in government programs. Our team has identified over \$1.2 billion attributed to fraud, waste or abuse of federal, state and local government funds. Our team employs certified fraud examiners (CFEs) and investigators disaster recovery, housing and healthcare industries.
- **Vendor Performance and Quality Assurance** the PVMA team performed Vendor Performance and Quality Assurance for a housing disaster program for over 40,000 program participants and 10 large contracting vendors from 2007 through the present time. Our team provided contract compliance for HUD/FEMA vendors that managed over 40,000 families in Texas, Louisiana, and in 41 states and U.S. Territories.
- **Invoice and Supporting Documentation Review** services for municipalities, government agencies, and public sector clients where we managed over \$3.7 billion in federal grant funds (FEMA and CDBD- DR). For example, our team provided UTMB Galveston 25 professionals to augment its accounting staff following Hurricane IKE and current monitor the financial performance and invoice review processing for 5 national disaster recovery agencies following Hurricane Harvey.

PVMA's / PVMA Global's Current Experience

2018 to present – PVMA and its subsidiary PVMA Global currently manages FEMA's Disaster Case Management Program – Puerto Rico (DCMP 4339-PR) to assist over 2,000 families impacted by Hurricane Maria supporting 21 municipalities in Puerto Rico. We have provided and coordinated more than 2 million dollars for various survivors throughout the island. Our team employs a staff of 62 professionals hired from a pool of local talent to support the overall recovery efforts in Puerto Rico. Our team coordinates and collaborates with local governments, non-profits, charities and other community stakeholders to provide a continuum of services including housing assistance, healthcare, mental health services, job training and other needs with an objective of helping families return to pre-disaster self-sufficiency. We have the perfect infrastructure to serve the CDBG R3 Program over the longterm.

2018 to present – PVMA currently on the Project Management Team for the City of Houston contract where our team manages its Communication, Marketing and Community Outreach (CMCO) for the community to gain awareness of the Housing and Community Development Departments (HCDD - GLO) Harvey Housing programs including FEMA programs. We conducted over 30 community townhall meetings for residents to provide input into the City's CDBG-DR Action Plan. This project includes Grant Management, Community Outreach, Program Marketing, and Communication, and Development of Program Standard Operating Procedures (SOPs) and Process Flows.

2017 – present PVMA currently providing accounting and financial reimbursement services on behalf of the National VOAD consortium for FEMA's Harvey Long-term Case Management Program. The PVMA team provides monthly financial operations for NVOAD and 5 of its Disaster Case Management Program (DCMP) consortium members. Managing processes that include Grant Management, Accounting and Reimbursement, Grant Closure, Community Outreach, Program Marketing, and Communication, Case Management, Procurement Management and Compliance services. We gave partnered with Disaster Services Corporation – St. Vincent de Paul USA.

2017 – present Assisted in the management for the State of Texas General Land Office (GLO) emergency housing program. Our team provided staff for the GLO's Harvey call center, residential inspections for assigned impacted counties in Texas. Our team also provided Community Outreach, Program Marketing, and Communication and File / Case Management services.

2014 – 2016 Provided recovery and consulting services for Riverside General Hospital's (RGH) Board of Directors to review RGH's accounting operations and coordinate with FEMA Office of Inspector General's (OIG) auditors and the State of Texas Office of Emergency Management to determine RGH's prior management's use of \$34 million of FEMA Disaster Recovery funds.
