

CONGRATULATIONS TO OUR NEW PVMA GLOBAL PARTNERS

This year PVMA Global focused on "NEXT GEN" our specific search for talent who will lead our firm through 2050. These talented individuals serve as role models who help foster the firm's culture by living the firm's values and purpose, while putting integrity and a passion for excellence at the heart of all they do. They demonstrate an unwavering commitment to quality, inclusion, and innovation, and help the firm thrive in this dynamic marketplace.

PVMA Global is a management consulting firm serving Puerto Rico and the Caribbean by providing effective and proven project management frameworks to deliver services to clients. PVMA Global employs seasoned professionals with a new mix of "Next Generation Talented" professionals that deliver quality results on-time and within budget, which has made PVMA Global a "Trusted Advisor". Today we name three additional Partner/Members to the world of PVMA Global. They are Sigrid Nazario, Manuel Perfecto and Luis Rodríguez of Puerto Rico.

Partner, Public Policy and Direct Services & Health Services
SIGRID NAZARIO

@ s.nazario@pvmallc.com ☎ 787-612-9139

"I want to help you meet your regulatory requirements, find you additional resources, and be your extra set of trusted eyes for your team. Let me be your long-term Partner and we will succeed"

Quick-Witted, Powerful, Determined. I led our Direct Services and Health Services practice. Let's get right down to brass tacks. I enjoy researching your needs and identifying the resources and natural connections to help you grow your business or meet your regulatory requirements. Let me use my legal credentials to bring real world solutions to your complex challenges and yes, I remember everything.

Partner, Data Modernization and HR Technology & Transformation
MANUEL PERFECTO

@ m.perfecto@pvmallc.com ☎ 787-528-7290

"I want to make your data work for you, I want your life to be easier and I want our team members to be trained so we deliver more value to our clients, customers and team members."

Ready. Supportive. Listener. I lead our Data Modernization and HR Technology & Transformation practice. Tell us your story and how you want to grow your business or protect your resources in a COVID 19 environment. Let me help transform or support your team in making Technology more effectively work for you.

Partner, Public Policy & Business Development
LUIS RODRÍGUEZ

@ luis.rodriguez@pvmallc.com ☎ 787-248-4602

"I'm currently on the backside of my Baseball Career and frontside of my Business Career. Teamwork makes the dream work. My office will bring our experts from around North America to the Caribbean and all of Latin America. I had the distinct pleasure of opening our Puerto Rico Office and hiring our first 62 project staff. It has been a wonderful two years and I am happy to grow with our team."

Friendly, Family Oriented, Trusted. I lead the Business Development practice. This gives me the opportunity to touch all aspects of the company and all our Assets. Our people and our teams have some real-world experience and bring the full thought process to clients every single day. I will support you from day 1 to 1000. Let me help you win a Championship today.
