

The site plan illustrates a proposed 10-story residential development. The central feature is a large 'AREA OF EXPOSED PARK GROUNDS' measuring 119,675 SQ FT, which includes a 'SUPPORT COLUMNS FOR OVER HEAD ROAD'. The development consists of four building wings, each with a specific area allocation for each floor:

- Wing 1 (Top Left):** AREA 21,500 SQ FT. (1ST STORY AREA) (AREA OF 2ND STORY 19,080 SQ FT). SPACE USED FOR TRANSFER OF WASTE AND FOR GENERAL MAINTENANCE AND ADMINISTRATIVE SPACE FOR THIS BLOCK.
- Wing 2 (Top Right):** AREA 34,110 SQ FT. (FLOOR TO CEILING 17 FT.). SPACE USED FOR COMMERCIAL, OFFICE, MEETINGS, DESIGNED BY USER.
- Wing 3 (Bottom Left):** AREA 21,500 SQ FT. (1ST STORY AREA) (AREA OF 2ND STORY 19,080 SQ FT). SPACE USED FOR TRANSFER OF WASTE AND FOR GENERAL MAINTENANCE AND ADMINISTRATIVE SPACE FOR THIS BLOCK.
- Wing 4 (Bottom Right):** AREA 34,110 SQ FT. (FLOOR TO CEILING 17 FT.). SPACE USED FOR COMMERCIAL, OFFICE, MEETINGS, DESIGNED BY USER.

The plan also shows various parking and circulation areas:

- Parking:** Multiple parking lots are shown, including 'LANE FOR DELIVERIES', 'LANE FOR CARS', and 'LANE FOR PUBLIC TRANSPORT'.
- Sidewalks:** Sidewalks are shown along the perimeter and between the building wings.
- Landscaping:** The central park area is landscaped with trees and grass.
- Access:** Access lanes to residents are shown between the building wings.
- Mechanical and Maintenance:** Spaces for mechanical and maintenance are shown at the corners of the building wings.

The plan is bounded by 'BOUNDARY OF BLOCK' lines on all sides. The overall layout is designed to provide a mix of residential, commercial, and recreational space.
