

GREENSPACE CREEKSIDE RESERVE PATRON PATH

Greenspace is working to enhance the Greenspace Creekside Reserve so that the community will have access to and enjoy this rare piece of open space which is home to a variety of native plants, trees and animals and has important historical significance. There will be a walkway through the property and part of this walkway will be a Patron Path containing 222 brick nameplates. Please take this opportunity to be recognized as a distinctive supporter of this project by contributing \$500.00 for each brick you would like placed along the Patron Pathway.

You can inscribe your brick in honor of someone, in memory of a loved one, your family name or your business. Please fill in this form, and send your \$500 donation to Greenspace—The Cambria Land Trust. If you have any questions, do not hesitate to call the Greenspace office at (805) 927-2866.
