Celebrate Earth Day in Cambria! Soto's True Earth Market and Greenspace-The Cambria Land Trust are partnering this year at the Greenspace Creekside Reserve to share their vision and commitment to healthy and environmentally sound practices on the unique north coast area of San Luis Obispo County!

Greenspace, Camp Ocean Pines, the Cambria Forest Committee and Beautify Cambria will promote restoration of Cambria's unique Monterey Pine Forest and coastal watersheds, educational hikes, nature and advocacy programs, an economically viable and attractive village atmosphere, and science and youth education opportunities. Attendees will even meet a live bird of prey as an 'animal ambassador' from Camp Ocean Pines!

Soto's True Earth, Paul's Produce & CSA, Robin's Restaurant and One Cool Earth will provide and promote locally sourced food grown in the watershed, eco friendly restaurants and markets, and stewardship through healthy and sustainable farming practices and recycling. Healthy food will be for sale and raffle ticket winners will receive 1-month free produce from Paul's Produce!

-more-

Piedras Blancas Friends of the Elephant Seals, ECOSLO, the Coalition to Protect San Luis Obispo County and the SLO Chapter of Surfrider will promote the ocean environment through enjoyment, education and outreach, as well as provide details on their annual beach clean ups and docent programs.

In addition, Potter Plumbing and the Coastal Discovery Center will provide information on water conservation, rainwater harvesting, and will demonstrate how to avoid stormwater pollution to maintain a healthy watershed.

Experience a “human nest” provided by Twigs & Things, a one of a kind, nature inspired structure built for children and adults, or tend your backyard nest by purchasing packages of native flower seeds from the Cambria Nursery. The Cambria Bike Kitchen is focused on refurbishing used bicycles and making them available to the community and will help raise awareness of the local youth cycling club.

Emcee Brandon Follet will coordinate music by Banjer Dan, David Plumb, Dulcie Taylor, and Marcus DiMaggio while you spend the day outdoors enjoying nature. There will be a Kid’s Zone and winners of the local poster contest from Coast High School, Santa Lucia Middle School and the Cambria Grammar School will be chosen!

Admission is free, memberships and donations to local organizations are encouraged, food and beverages will be for sale, and please no pets.
