

BE A PART OF EARTH DAY 2019

"PROTECT OUR SPECIES"

**Sunday, April 21nd at 11 A.M. - 3 P.M.
at Greenspace's Creekside Reserve
2264 Center St. Cambria, CA**

What is Earth Day and why should I participate?

Greenspace-The Cambria Land Trust and Soto's True Earth have partnered up for the second time to create a fun, family friendly event for those who care about the environment. This is a great opportunity for individuals, groups and organizations to interact with each other and the local community and use the opportunity to motivate, inspire and educate people about the environment! We hope to have a wide variety of booths, from *food and music* to *non-profit organizations, businesses, local clubs, and more*. If you or your organization would like to participate, please fill out the [attached form](#).

Booth Details

Each booth will have an approximate 10x10 ft space, enough to accommodate a single 8-ft table. Canopies/umbrellas, tables, chairs and signage are not provided, but are encouraged. Please use biodegradable cups, plates, materials, etc. when possible. Electrical hook-ups will only be available for musicians. Food will be available for purchase at the event. Portable toilets and hand wash stations will be provided on-site.

Set-up will begin at 8 A.M., however, vendors will be assigned a set-up time. Trash and Recycling provided onsite.
