

Please Read and understand the rules and if you have any questions please contact a Committee Member for further discussion.

All Competitors must have an assigned number plate that is readable from 10ft (min), no number plate you will not be scored!! Number Plates need to be forward facing, with a minimum number height of 5in and in a contrasting color so it can be read. (Paper plates are not allowed)

The SRA Reserves the right to refuse/disqualify/remove any racer who does not follow the rules/track conduct for any reason they feel necessary.

No Refunds will be granted or given due to your equipment not being race worthy and or disqualification.

Engine Specs By Class:

Open Quad:

- *71cc Max (Gas)
- *5KW Max (5000w Electric)
- *72 Volt Max (Electric)

Open Air Tire:

- *71cc Max
- *3.5KW (3500w Electric)
- *72 Volt Max (Electric)

Spindle Quad:

- *30cc Max.
- *No Reeds Allowed
- *Veteran & 225lb+ 34cc Max (No Reeds)
