We would like to express our profound gratitude for your dedication as regards your kind assistance and help provided for the Sanatorium during these challenging times. Currently, our personnel take care of the internally displaced people from Luhansk and Donetsk who are legally incapable and physically challenged. All these vulnerable persons need special help. Thank you for helping our citizens, especially through these hard times, when Ukraine needs humanitarian assistance the most.

Sincerely yours,  
Director of the Subsidiary Araik Pohosian
