**ADDITIONAL QUESTIONS:**

1. **Did the commodity distribution vary from your original plan (in terms of the number/location of beneficiaries, distribution partners, monitoring, etc.)? If so, how?**

n/a

2. **Were the commodities of the quality and type that you anticipated? If not, please explain.**

In general, the container was well packed. We came across boxes with broken №315 sterile bags with medical supplies devices. Also, some boxes were half-empty.
