### ADDITIONAL QUESTIONS

- 1. Did the commodity distribution vary from your original plan** *(in terms of the number/location of beneficiaries, distribution partners, monitoring, etc.)? If so, how?*  
When this shipment was in transit we applied to the Ministry of Finance of Georgia/Revenue Service and submitted a set of transportation documents with translation along with the Pre-Distribution Plan for duty- free customs clearance. At the end of the distribution we have to upload at the Revenue Service web site the Original Distribution Plan. In our case the Pre-Distribution Plan and the Original Distribution Plan are identical.
- 2. Were the commodities of the quality and type that you anticipated? If not, please explain.**  
The donated commodities exceeded our anticipation and expectation. All HA commodities were brand new with an excellent quality.
- 3. Other comments:** On behalf of Georgian vulnerable people we would like to thank you for being so generous and giving a helping hand to people in need!

### BENEFICIARY STORIES

*(can be attached on a separate page)*

#### Story from consignee:

Father and son, Grigol (photo #1) 55 years old and Irakli Asanidze (photo #2) 32 year old are from Chiatura, Western Georgia. They are both unemployed for many years and have unstable income by working as a temporary labor in Tbilisi, capital of the Republic of Georgia. Irakli Asanidze has a wife and three minor children. His wife is unemployed as well. They usually buy used clothing and shoes once a year and donated brand new shoes were very welcome. With saved money they will be able to buy more food and medicines for family.
