Message from the Chairman

During the last decade, Qatar had witnessed an incredible and dynamic growth not only in its economy but also in every other aspect. As a result of the rapid financial growth, opportunities amplified since the population has been rising so fast. People from around the globe flew to Qatar to explore jobs and various other opportunities. This inflow indirectly increased the demand for catering and dining units with diverse varieties of cuisines.

Hot Bake Catering was the result of such a vision to provide quality, prepared food in different varieties to all classes of people living in Qatar. And somehow in the last half decade Hot Bake Catering has already proved its commitment and it has already created a brand name in the food and beverage market in Qatar.

Today with the commitment of Team Hot Bake; Hot Bake Catering is a renowned ISO 9001:2008, ISO 22000:2005 and HACCP certified catering company which is providing catering services to many private and government organizations, companies, government and private schools, star hotels, healthcare facilities, etc.

A fundamental part in our quality is the constant investment in our staffs, and technologies. We continue to focus on having market leading facilities, which is essential to fulfill our aim to provide the highest standard of quality in the food and beverage industry.

Jassim Bin Ahmed Bin Khalifa Al Thani
Chairman

Message from the CEO

At Hot Bake, we take great pride in our commitment to provide personal and professional catering services in a responsive and high quality manner. There is no doubt that our services are the direct reflection of our capabilities and experience. Consequently, we strive to build client/customer relationship that are mutually rewarding.

Establishing close relationship with our clients is a key element of our success. We cultivate client relationship from the initial concept to completion, often maintaining this cordial relationship even years after a project is finished.

We believe successful contract is achieved through a balance of significant experience, a working knowledge of today's best practices and access to cutting edge technology. We offer expertise that goes beyond "state of the practice" to include innovative solutions using techniques usually found in academic and research institutions. Accordingly, we take a proactive approach to staff recruitment and development and maintain close ties to universities and other well known institutions.

Today Hot Bake; Hot Bake Catering is an ISO 9001:2008, ISO 22000:2005 and HACCP certified catering company which is providing catering services to private and government organizations, companies, government and private schools, star hotels, healthcare facilities, etc.

We are proud of the quality of services and our responsiveness to client schedules.

These are the keystones to our business and long-lasting client relationships.
