# COLUMBIA VALLEY MINOR BALL

## January Newsletter

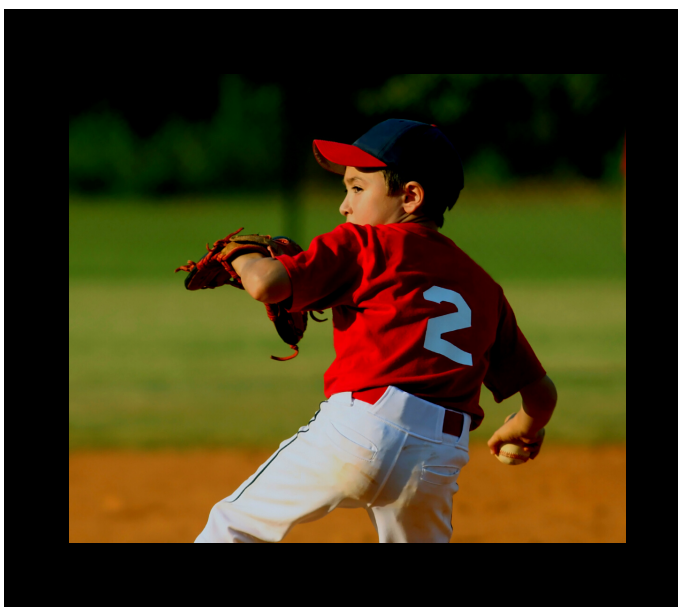

### BC MINOR BASEBALL LEAGUE

We have been working hard behind the scenes to create the best opportunities for our local youth in minor ball. This year, we have partnered with BC Minor Baseball and our neighbouring leagues to create a BC Minor Kootenay Division! This gives us the opportunity to field summer select travel teams locally! We will field summer select teams in 11U, 13U and 15U divisions that will compete for a spot in BC Minor Provincials in the 'A' division, complementing our spring house league season. There will be opportunities for 'AA' teams fielded out of Cranbrook as a regional team.

*League age is determined as of Dec 31st.*

#### Divisions for 2024:

- 5U: Tee Ball (2019/2020)
- 7U: Rookie (2017/2018)

## PYNELOGS ROTARY BALL PARK

Our project has reached 300k in renovations thanks to the Blue Jays Care Foundation, Columbia Basin Trust, District of Invermere, Norcon Developments, Helmer Construction, Remax, Travel World, NAPA/Kool Country Towing and several other local companies generous donations. Spring '24 will see the completion of the project, including expansion of the infield to accommodate our 15U players with 80' baselines.
