## A Message from the President

Hello North Beach Eagles Member,

It is now September and it has been a few months since I sent one of these out. Another Trustee position was vacated so I appointed Denise Charkow to fill the position. She has done a great job stepping into her new role within the aerie. It is impressive to see the growth that has taken place in the past few months while all of the officers settle into these positions and learn their roles.

A few things to look forward to:

I hear Eagle Riders are having oysters for Labor Day, and we are having a comedy night coming this month too.

We should be hearing of any changes that grand is making to the Grand Aerie Constitution and Statues soon and those will be posted when received. That being said, when those come in the Bylaws committee should be meeting up to see if there needs to be any changes. If you have any ideas that you would like to see in the bylaws or house rules let them know.

Planning committee meets on the 1st Tuesday of every month. Want to get involved in activities or even have some ideas for events? The committee would love the input.

Let's enjoy the start of fall this month.

Fraternally,  
Scott Nelson  
Worthy President

Lord make me an instrument of Thy Peace; Where there is hatred, let me sow love; Where there is despair, let there be hope; Where there is darkness, let there be light; And where there is sadness, let there be joy.
